

Seital Separators - General Food

PRODUCT HIGHLIGHTS

WHY SPX FLOW?

Seital provides expertise, performance and efficiencies not available from other manufacturers. Expanded model offerings provide a duty specific design and not a "one size fits all" Separator. Manual, automatic and standardizing units provide simple installation and process integration.

FEATURES

- Fast and accurate discharge
- Stand alone or packaged system
- High acceleration speeds
- Direct Gear or V-Belt drive models
- Specific design for application
- Skidded systems

BENEFITS

- · Reduced installation required
- Product savings and increased profit
- Compact footprint
- Faster installations
- Increase separation efficiency
